

The African Violet Society of Canada

January 23, 2018

Dear AVSC Member,

The African Violet Society of Canada sincerely apologizes that you have not been receiving regular issues of Chatter, our quarterly publication. Unfortunately, we are currently without an Editor.

We want you to know that the Society is still alive and functioning; and, doing everything we can to find a new editor as soon as possible. Perhaps you can assist us in this regard. Do you have a desire to spread the word about our wonderful hobby? Do you know anyone who has editing skills that they would like put to use? If you know anyone who would be interested, please contact me, Anne, at the address below.

Everyone is looking forward to the joint AVSA / AVSC convention, in Buffalo NY, this May, and we regret that you cannot read about it in Chatter right now. However, convention details can be found on the AVSA website (www.avsa.org). If you don't have access to a computer, please contact a local member of your club to help; or contact the AVSA office to request a copy 409-839-4725 (1-844-400-2872 if you are in the US) or email: AVSA@earthlink.net. Note that Convention Awards can be sent to the AVSA office separately or as part of your convention registration.

Sincerely,

Anne M. Brown
President, African Violet Society of Canada
